

JOIN US FOR THE

WILDLAND FIRE RESEARCH

STATE LISTENING SESSION

JANUARY 28, 2021 2-4 PM ET
FEBRUARY 2, 2021 3-5 PM ET

[REGISTER HERE](#)

EPA Office of Research and Development (ORD) invites state & local environmental and health agency representatives to participate in the Wildland Fire Research Listening Session! This session will include:

- A short overview of current ORD research related to wildland fires
- Listening session for state & local agencies to inform ORD's update to its Wildland Fire Research plan
- Overview of key resources currently available ([AirNow Fire and Smoke map](#), [AirNow Sensor Data](#), [Smoke Sense](#), [Smoke Ready Toolbox](#), [Wildfire Smoke Guide](#), etc.)
