

Tribal Data Work Group call

September 19, 2019

|

1000 to 1130 AM MDT

Summary of current/new action items – notes by E.R.

1. Update 2016 WRAP outreach letter to tribes: Tom with support from Dara (Tom reach out to Dara when ready). Tom work with website support to link email to website and send out email when ready (no progress by Tom on this)
 2. Update WRAP factsheets as appropriate with Kalispel Class I Designation: ITEP-EN3. Charlie to work with Tom to update the map deliverable with Class I tribal areas to include Kalispel.
 3. Tom to follow-up with ARS regarding update to tribal maps
 4. EN3 august (13 pg) report on tribal oil & gas – Tom will share with WRAP OGWG & Ramboll, Charlie will share courtesy copies with subject (listed) tribes, DL for comments/edits end of September. The report completes Task 1.4.
 5. Mehrdad will ask ITEP instructional staff about availability for 2nd webinar for TDWG, then inform TDWG of proposed/possible timing. Topic chosen was WRAP data & tools, focus on WRAP website/map, IWDW and TSS v2. 1- hour webinar.
 6. TDWG map utility – Charlie has provided Tom an updated set of points (shapefile) for Tribes w/Class I status, inclusive of a point for Kalispel. Tom needs to get those implement on the WRAP map.
 7. Next steps / next call date and time – Thursday Oct 24, see Tom's invite
